

Increase your visibility and improve your business !

gpspasta.com is a new smartphone app, simple and intuitive, which highlights all businesses related to "Eat, meet and sleep" close of the area where you are.

If you own a business related to hotels, food, bars & coffee houses, restaurants, etc., then you might like to enter your name in our app, to be more easily found by your potential customers.

Call now !

There are 3 levels of display:
basic level (free), Entry and Premium levels (fee-paying).

Visit **www.gpspasta.com** for more info !
