

EVERYTHING FOR PASTA MAKERS

Our experience in the **pasta machines** field allows us to propose an offer including :

New plants, machinery, dies, accessories and spare parts with our OSTONI® brand. We sell direct to pasta manufacturers, without any middleman!

Dies, accessories and spare parts for any brand and model of pasta machine; with our CNC machine tools, our workshops can manufacture any kind of item. We also have a huge stock with thousands of parts ready to go.

A wide range of **reconditioned pasta machines**, covered by our warranty **OSTONI ORO®** which puts reconditioned machines like new ones. We have also available a service of pasta machines rental.

On-site technical service, even for machines not made by us. We have a huge availability of spare parts and accessories, and with our **agreements of scheduled maintenance**, you can extend the productive life of your pasta machines.

Technologic consultancy: do you need to improve or modify your pasta facilities ? Do you have problems in pasta or filling preparation ? Our technologists are at your disposal and can reach your location !

Websites and advertising campaigns dedicated to pasta makers: we are able to introduce your products to a wider customer base and, consequently, will increase quickly your business !
